

## DECLARATION, POWER OF ATTORNEY, AND PETITION

I DECLARE that I, Charles E. Evans reside at postal address, 8814 Grand Ave., Pueblo, CO 81023; that I am a citizen of the United States, and that I have read and understand the foregoing specification and claims attached hereto and verily believe that I am the original, first, and sole inventor thereof; that I do not know and do not believe that this invention was ever known or used before my invention thereof, or patented or described in any printed publication, or was the subject of an inventor's certificate in any country before my invention thereof or more than one year prior to this application, or in public use of or on sale in the United States for more than one year prior to this application; that this invention has not been patented in any country foreign to the United States on an application for patent or inventor's certificate filed by me or my legal representatives or assigns more than twelve (12) months before this application; that I acknowledge my duty to disclose information of which we are aware which is material to the examination of this application in accordance with 37 CFR 1.56(a); that I have reviewed and understand the contents of the specification, including the claims, as amended by any amendment specifically referred to in this declaration; and that no application for patent or certificate on this invention has been filed by me or my Representatives or Assigns in any country foreign to the United States except as follows: NONE

I APPOINT, Glen F. Gallinger, Registration No 34,168 of 7420 Milner Dr., #1000, Colorado Springs, Colorado 80920, (719) 599-9995, as my attorney with power of substitution and revocation to prosecute this application and to transact all business in the Patent Office connected herewith.

I CLAIM AND ASSERT Small Entity Status as defined in 37 CFR 1.27.

THE UNDERSIGNED PETITIONER DECLARES further that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
